A word cloud visualization featuring various business-related terms. The words are arranged in a dense, overlapping manner, with colors ranging from light green to dark purple. The most prominent words include:

- operation** (large, light green)
- business** (large, yellow)
- product** (large, light green)
- customer** (medium, purple)
- market** (medium, light green)
- cost** (medium, purple)
- supplier** (medium, purple)
- adversely** (medium, purple)
- claim** (medium, yellow)
- forecast** (medium, yellow)
- demand** (medium, light green)
- access** (medium, light green)
- development** (medium, light green)
- inventory** (medium, light green)
- factor** (medium, light green)
- explanation** (medium, light green)
- natural** (medium, light green)
- technology** (medium, light green)
- investment** (medium, light green)
- service** (medium, light green)
- information technology** (medium, light green)
- intellectual property** (medium, light green)
- location** (medium, light green)
- obligation** (medium, light green)
- increase** (medium, light green)
- supplier** (medium, purple)
- profit** (medium, light green)
- margin** (medium, light green)
- response** (medium, light green)
- complex** (medium, light green)
- process** (medium, light green)
- production** (medium, light green)
- condition** (medium, light green)
- associated** (medium, light green)
- high** (medium, light green)
- regulation** (medium, light green)
- rule** (medium, light green)
- general** (medium, light green)
- specific** (medium, light green)
- particular** (medium, light green)
- third party** (medium, light green)
- management** (medium, light green)
- strategy** (medium, light green)
- plan** (medium, light green)
- jurisdiction** (medium, light green)
- performance** (medium, light green)
- event** (medium, light green)
- cause** (medium, light green)
- employee** (medium, light green)
- decline** (medium, light green)
- success** (medium, light green)
- release** (medium, light green)
- material** (medium, light green)
- operate** (medium, light green)
- system** (medium, light green)
- global** (medium, light green)
- design** (medium, light green)
- addition** (medium, light green)
- competitor** (medium, light green)
- resource** (medium, light green)
- credit** (medium, light green)
- unable** (medium, light green)
- debt** (medium, light green)
- personal** (medium, light green)
- competition** (medium, light green)
- adversely affected** (medium, light green)
- needed** (medium, light green)
- account** (medium, light green)
- development** (medium, light green)
- require** (medium, light green)
- open** (medium, light green)
- country** (medium, light green)
- depend** (medium, light green)
- social** (medium, light green)
- economic** (medium, light green)
- capital** (medium, light green)
- manufacture** (medium, light green)
- industry** (medium, light green)
- facility** (medium, light green)
- based** (medium, light green)
- not** (medium, light green)
- return** (medium, light green)
- associated** (medium, light green)
- customer** (medium, light green)
- distributor** (medium, light green)
- condition** (medium, light green)
- operation** (medium, light green)
- disruption** (medium, light green)
- action** (medium, light green)
- support** (medium, light green)
- date** (medium, light green)
- short** (medium, light green)
- request** (medium, light green)
- small** (medium, light green)
- health** (medium, light green)
- epidemic** (medium, light green)
- affected** (medium, light green)
- service** (medium, light green)
- managing process** (medium, light green)
- exception** (medium, light green)
- best** (medium, light green)
- long term** (medium, light green)
- pricing** (medium, light green)
- actual** (medium, light green)
- loss** (medium, light green)
- information** (medium, light green)
- suffer** (medium, light green)
- particularly** (medium, light green)
- property right** (medium, light green)
- organizational** (medium, light green)
- tax** (medium, light green)
- trade** (medium, light green)
- value** (medium, light green)
- relating** (medium, light green)
- beyond** (medium, light green)
- attention** (medium, light green)
- face** (medium, light green)
- scale** (medium, light green)
- unit** (medium, light green)
- likely** (medium, light green)
- specimen** (medium, light green)
- underlying** (medium, light green)
- processes** (medium, light green)
- major** (medium, light green)
- amount** (medium, light green)
- make** (medium, light green)
- making** (medium, light green)
- condition** (medium, light green)
- economic** (medium, light green)
- capital** (medium, light green)
- high** (medium, light green)
- associated** (medium, light green)
- risk** (medium, light green)
- waterfall** (medium, light green)
- baseline** (medium, light green)
- among** (medium, light green)
- rule** (medium, light green)
- regulation** (medium, light green)
- arrangement** (medium, light green)
- disruption** (medium, light green)
