

[illegible]

business result revenue sale client addition growth compliance new competitor acquisition operating result failure share decline potential management marketing operating result failure share decline

A word cloud visualization of business-related terms. The words are arranged in various sizes and orientations, creating a dense, abstract shape. The colors transition from dark blue at the top to light blue at the bottom.

**Large Words:**

- business
- client
- solution
- revenue
- service
- result
- technology
- market
- third party
- regulatory
- additional
- required
- expand
- contact center
- relationship addition tax
- growth
- competitor
- factor
- potential
- harm
- operation
- state
- system
- resource
- claim
- key
- require
- center
- decline
- software
- employee
- standard
- delay
- significant
- large
- subscription
- harmed
- reputation
- increased
- loss
- maintain
- cost
- expense
- time
- general
- license
- particular
- contract
- due
- data center
- agreement
- depend
- many
- development
- compliance
- increase
- united states
- entirety
- investigation
- requirement
- fcc
- use
- current
- performance
- effect
- management
- provide
- new product
- from decrease
- data
- fail
- public
- term
- source
- well
- storage
- expensive
- financial
- share
- stockholder
- period
- agreements
- undue
- decrease
- inter national
- include
- professional services
- amount
- damage
- operating
- result
